CLASS FEATURE

You can sense the presence of magical people and objects within Close range.

Make a **Spellcast Roll (10)**. On a success, you create a minor visual illusion no larger than yourself within Close range. This illusion is convincing to anyone at Close range or farther.

Once per long rest, you can place a domain card from your loadout into your vault and choose to either:

- Gain Hope equal to the level of the card.
- Enhance a spell that deals damage, gaining a bonus to your damage roll equal to twice the level of the card.
